

EXAMPLE: "Customized, Thematic, Colored Maps" from: EDU027 - "Butterflies of Terezin"

Art In History's Lesson Plans all feature maps that have been specifically created for each project lesson in our catalog. All maps are thematically customized to reflect important geographical areas, movements, battles, etc. for the individual projects. Each map is colored, and has an easy-to-read legend.

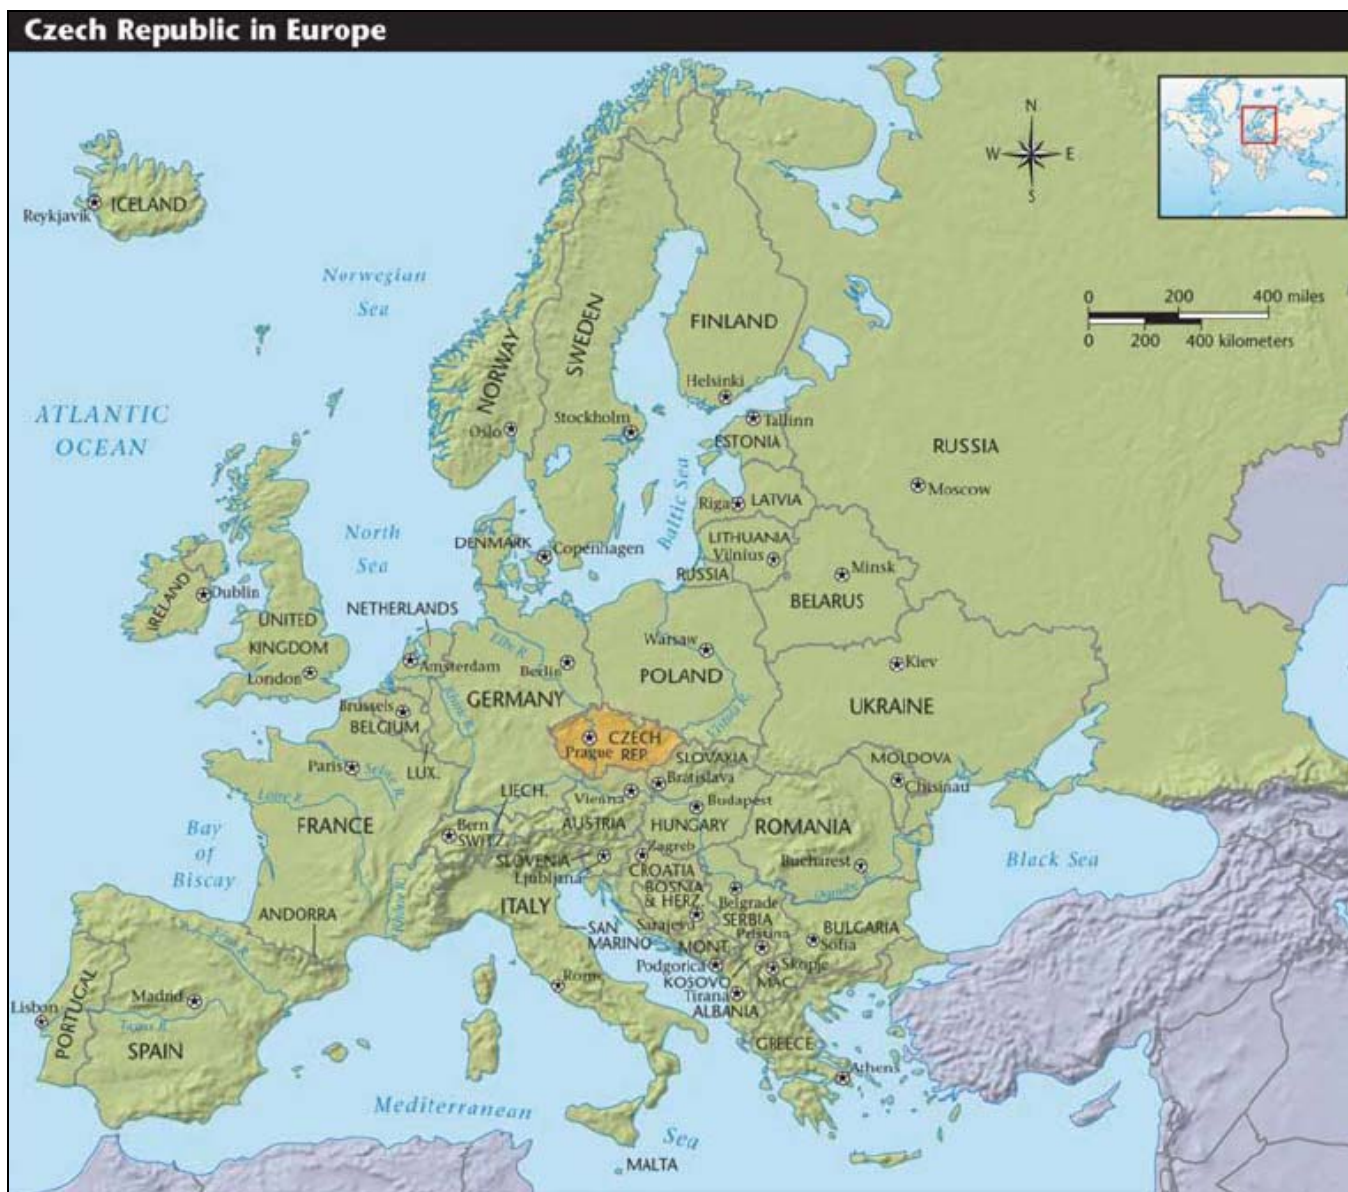

MAP 1: World War II: Battles and Campaigns

MAP 2: Nazi Concentration Camps

MAP 4: The Czech Republic in Europe
