

Enhance your English Language Arts Required Reading List today by using Art In History's Curriculum Projects!

Art In History's Curriculum Projects reinforce state and national standards through integrated cross-curricular content (reading, writing, social studies, and fine arts) supporting both popular, and required student literature.

Each Curriculum Project's Advanced Lesson Plan is geared towards ELA focus initiatives:

- Exercises in critical thinking, word splash development, and content creation
- Project-based vocabulary list
- Suggestions on using vocabulary terms in context
- Heavy rigor is present throughout content
- Style and history readings provided
- Suggestions for concept webs, T-charts, and Venn diagrams
- "Extend/Reflect/Write" sections in each lesson for exercises in critical thinking, problem solving, essay and research paper development
- Steps to development of research papers provided in "The Research Cycle" development chart
- Special adaptations for all learning styles and levels are provided
- Additional references and internet sites provided for continuation of learning
