

FUNDRAISING IDEAS

Contact Your Local Savings & Loan, Credit Union, or Bank:

- Approach your local bank and ask for use of their change counting machine.
- Have team members drop in with their artwork for their change to be counted and accumulated.
- Ask for a prize from the bank or possible matching funds.
- Art In History will place their name on the Artist Certification card that goes home with each finished kit.

We will provide fundraiser purpose cards free of charge.

Ask if you can leave the helmet coin bank by the cash register at your local convenience store, retailer, or parent's office.

Artist Certification cards can be printed to acknowledge support by businesses or partners.
